IF YOU ARE ENTERING INTO THIS AGREEMENT ON BEHALF OF A COMPANY OR OTHER LEGAL ENTITY, YOU REPRESENT THAT YOU HAVE THE AUTHORITY TO BIND SUCH ENTITY TO THESE TERMS AND CONDITIONS, IN WHICH CASE THE TERMS "YOU" OR "YOUR" SHALL REFER TO SUCH ENTITY. IF YOU DO NOT HAVE SUCH AUTHORITY, OR IF YOU DO NOT AGREE WITH THESE TERMS AND CONDITIONS, YOU MAY NOT USE THE SERVICE.

### Welcome

As part of the Service, AAI will supply use of the Service, including a browser interface, data encryption, transmission, access and storage. Registration for, or use of, the Service shall be deemed to be your agreement to abide by this Agreement including any materials available on the AAI or filetransfers.net sub-domain incorporated by reference herein, including but not limited to AAI's privacy and security policies. ### Privacy & Security

AAI requires customers who register to use the service to provide contact information and financial qualification and billing information. All information collected by AAI is confidential. Support Services are only provided during AAI's regular business hours and exclude weekends and accepted holidays. AAI may condition the timing and delivery of Support Services in whatever method or manner it chooses, which may include communication via email or through live phone support. AAI has no obligation to provide any other assistance, support, maintenance, or other services or to perform any assistance by any other method, such as at your location or involving issues unrelated to AAI's services. If AAI, in its sole discretion, agrees to provide any additional services, such additional service shall be governed by these Terms.

### Account Information and Data

AAI does not own any data, information or material that you submit to the Service in the course of using the Service ("Customer Data"). You, not AAI, shall have sole responsibility for the accuracy, quality, integrity, legality, reliability, appropriateness, and intellectual property ownership or right to use of all Customer Data, and AAI shall not be responsible or liable for the deletion, correction, destruction, damage, loss or failure to store any Customer Data. # Terms and Subscription Agreement

## Charges and Payment of Fees

You shall pay all fees or charges to your account according to the fees, charges, and billing terms in effect at the time a fee or charge is due and payable. You are responsible for paying for all licenses ordered for the entire License Term, whether or not such licenses are actively used. You must supply to AAI a valid credit card or approved purchase order information as a condition of signing up for the Service.

## Billing and Renewal

AAI charges and collects, in advance, for use of service. AAI will automatically renew and charge your credit card each month for monthly licenses, or for each non-monthly term to be at least 12 months or longer, on the subsequent anniversary date, predicated by your sign-up date, for non-monthly licenses. The renewal charge will be equal to the then-current license fee in effect at the time of the renewal. Fees for other services will be charged on an as-quoted basis.

At AAI's discretion, terms of 12 months may be invoiced as long as the first three months of the term are paid by credit card, in advance of commencement of service. The invoice, payable to AAI, must be received 15 days from the date of the invoice. The amount of the invoice shall be for the balance of the term, less the three months charged to your credit card in advance of the commencement of service. This shall apply to all purchase order licenses as well.

AAI's fees are exclusive of all taxes, levies, or duties imposed by taxing authorities, and you shall be responsible for payment of all such taxes, levies, or duties, excluding only United States or applicable state and local taxes based solely on AAI's income.

If you believe your charge is incorrect, you must contact us in writing within 180 days of the invoice date of the invoice containing the amount in question to be eligible to receive an adjustment or credit.

## Nonpayment and Suspension

Along with any other rights granted to AAI herein, AAI reserves the right to suspend or conclude this Agreement and your access to the Service if your account becomes delinquent (falls into arrears). Delinquent invoices (accounts in arrears) are subject to interest of 1.5% per month on any outstanding balance, or the maximum permitted by law, whichever is less, plus all expenses of collection. You will continue to be charged for licenses during any period of suspension. If you or Applied Answers, Inc. initiates termination of this Agreement, AAI does not waive the right to collect the balance due on your account computed according to the Charges and Payment of Fees section above. You agree that AAI may charge such unpaid fees to your credit card or otherwise bill you for such unpaid fees.

AAI reserves the right to impose a reconnection fee in the event you are suspended and thereafter request access to the Service. You agree and acknowledge that AAI has no obligation to retain Customer Data and that such Customer Data may be irretrievably deleted if your account is 30 days or more delinquent.

## Termination upon Expiration/Reduction in Number of Licenses

The Initial Term, or Minimum Term, will be three months, or the subscription term length if longer than one month as determined by your election during the subscription process, starting on the date you agree to pay for the Service. Upon the expiration of the Initial Term, this Agreement will automatically renew for successive renewal terms equal in duration to one month or one year, depending on your term election during the subscription process. Either party may conclude this Agreement or reduce the number of licenses, effective only upon the expiration of the then current License Term, by notifying the other party in writing at least seven (7) business days before the date of the invoice for the following term. In the case of free trials, notifications provided through the Service indicating the remaining number of days in the free trial shall constitute notice of termination. In the event this Agreement is concluded (other than by reason of your breach), all active file transfers will remain active for 30 days

## Terms and Subscription Agreement

from the date the free trial starts but no new file transfers can be made. You agree and acknowledge that AAI has no obligation to retain the Customer Data (files), and may delete such Customer Data (files), after all transfers are completed after termination.

### Termination for Cause

Any breach of your payment obligations or unauthorized use of the AAI Technology or Service will be deemed a material breach of this Agreement. AAI, in its sole discretion, may suspend your access, account or use of the Service if you breach or otherwise fail to comply with this Agreement. In addition, AAI may conclude a free account at any time in its sole discretion. You agree and acknowledge that AAI has no obligation to retain the Customer Data, and may delete such Customer Data, if you have materially breached this Agreement, including but not limited to failure to pay outstanding fees, and such breach has not been cured within 30 days of notice of such breach.

### Representations and Warranties

Each party represents and warrants that it has the legal power and authority to enter into this Agreement. AAI represents and warrants that it will provide the Service in a manner consistent with general industry standards reasonably applicable to the provision thereof and that the Service will perform substantially according to the online AAI help documentation under normal use and circumstances. You represent and warrant that you have not falsely identified yourself nor provided any false information to gain access to the Service and that your billing information is correct.

### Mutual Indemnification

You shall indemnify and hold AAI, its licensors and each such party's parent organizations, subsidiaries, affiliates, officers, directors, employees, stockholders, attorneys and agents harmless from and against any and all claims, costs, damages, losses, liabilities and expenses (including attorneys' fees and costs) arising out of or in connection with: (i) a claim alleging that use of the Customer Data infringes the rights of, or has caused harm to, a third party; (ii) a claim, which if true, would constitute a violation by you of your representations and warranties; or (iii) a claim arising from the breach by you or your Users of this Agreement, provided in any such case that AAI (a) gives written notice of the claim promptly to you; (b) gives you sole control of the defense and settlement of the claim (provided that you may not settle or defend any claim unless you unconditionally release AAI of all liability and such settlement does not affect AAI's business or Service); (c) provides to you all available information and assistance; and (d) has not compromised or settled such claim.

Likewise, AAI shall indemnify and hold you and your parent organizations, subsidiaries, affiliates, officers, directors, employees, attorneys and agents harmless from and against any and all claims, costs, damages, losses, liabilities and expenses (including attorneys' fees and costs) arising out of or in connection with: (i) a claim alleging that the Service directly infringes a copyright, a U.S. patent issued as of the Effective Date, or a trademark of a third party; (ii) a claim, which if true, would constitute a violation by AAI of its representations or warranties; or (iii) a claim arising from breach of this Agreement by AAI; provided that you (a) promptly give written notice of the claim to AAI; (b) give AAI sole control of the defense and settlement of the claim (provided that AAI may not settle or defend any claim unless it unconditionally releases you of all liability); (c) provide to AAI all available information and assistance; and (d) have not compromised or settled such claim. AAI shall have no indemnification obligation, and you shall indemnify AAI pursuant to this Agreement, for claims arising from any infringement arising from the combination of the Service with any of your products, service, hardware or business process(s).
